BEFORE THE ARIZONA MEDICAL BOARD

In the Matter of

MOHAMMAD Z. QURESHI, M.D.

Holder of License No. 8269
For the Practice of Allopathic Medicine
In the State of Arizona.

Case No. MD-11-0696

**INTERIM ORDER FOR PRACTICE
RESTRICTION AND CONSENT TO THE
SAME**

INTERIM CONSENT AGREEMENT

Mohammad Z. Qureshi, M.D. ("Respondent") elects to permanently waive any right to a hearing and appeal with respect to this Interim Order for Practice Restriction; admits the jurisdiction of the Arizona Medical Board ("Board"); and consents to the entry of this Order by the Board.

FINDINGS OF FACT

1. The Board is the duly constituted authority for the regulation and control of the practice of allopathic medicine in the State of Arizona.

2. Respondent is the holder of License No. 8269A for the practice of allopathic medicine in the State of Arizona.

3. On April 28, 2011, Board staff received correspondence from Respondent, along with an attached letter from a health clinic manager, indicating that Respondent was violating the terms of his October 9, 2008 Consent Agreement for Probation, which prohibits him from performing "pain management injection therapies."

4. Respondent met with Board Staff and the Board's Medical Consultant on May 20, 2011. Based on interviews of Respondent and two of his patients, as well as medical records, Board staff concluded that Respondent had performed pain management related injections therapies in violation of his October 9, 2008 Consent Agreement for Probation.

5. The Executive Director has consulted with investigative staff and the Board's medical consultant, who has reviewed the case and agrees that a consent agreement is appropriate.

CONCLUSIONS OF LAW

1. The Board possesses jurisdiction over the subject matter hereof and over Respondent.

2. The Executive Director may enter into a consent agreement with a physician if there is evidence of danger to the public health and safety pursuant to A.R.S. § 32-1405(C)(25) and § 32-1451(F); A.A.C. R4-16-504.

3. Based on the information in the Board's possession there is evidence that if Respondent were to practice medicine in Arizona there would be a danger to the public health and safety.

ORDER

IT IS HEREBY ORDERED THAT:

1. Respondent shall not practice clinical medicine or any medicine involving direct patient care, and is prohibited from prescribing any form of treatment including prescription medications, until Respondent applies to the Board and receives permission to do so.

2. This is an interim order and not a final decision by the Board regarding the pending investigative file and as such is subject to further consideration by the Board.

1 DATED AND EFFECTIVE this 3rd day of June, 2011.
